INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42453

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") makes the following entry in this Cause:

On May 28, 2003, Globcom Incorporated ("Petitioner") filed a Verified Petition requesting the issuance of a Certificate of Territorial Authority to provide the above-specified telephone services within the State of Indiana. Filed along with the Verified Petition was a *Request for Confidential Treatment of Information* ("Motion"). The Motion states that Petitioner desires to submit as a confidential exhibit to its Verified Petition its balance sheet as of November 30, 2002 and income statement for the eleven months ended November 30, 2002. Once submitted to the Commission these documents will become public records and subject to public inspection and copying unless exempt from public disclosure pursuant to Indiana Code 5-14-3. The Motion asserts that disclosure of this financial information could place Petitioner at a competitive disadvantage and requests that the Commission, by application of Indiana Code 5-14-3-4, determine that these documents, as public records, are exempt from public disclosure.

The Presiding Administrative Law Judge, having considered the Motion, hereby preliminarily determines that the documents at issue constitute records containing trade secrets and are exempt from public disclosure pursuant to Indiana Code 5-14-3-4(a)(4). This preliminary determination is made to the extent that the documents at issue or the information contained in these documents have not previously been submitted to the Commission without a claim for confidentiality or have not previously been the subject of a confidentiality claim by

Petitioner wherein the Commission determined that the information constitutes disclosable public records.

Accordingly, Petitioner should hand deliver its balance sheet as of November 30, 2002, and income statement for the eleven months ended November 30, 2002, to the Presiding Administrative Law Judge in a sealed envelope that is clearly marked confidential with the Cause Number noted thereon. Upon submission to the Commission, these documents will be handled as nondisclosable public records in accordance with Indiana Code 5-14-3.

IT IS SO ORDERED.
